A Fruitcake For Christmas!

One photo of a Vaughan brother (Franklin) about two weeks ago brought on some sales of fruitcakes and Lion Fruitcake Sales chairman V. O. Mims (far right) asked Lion W. Lloyd Vaughan (left) is he wouldn't step in front of the camera to help the sale! Each tasty slice can help to liven up a holiday party, and each fruitcake sale helps lions with many, many good deeds they keep on doing all year long. Any Lion's club member has cakes for sale OR just step right up to the TIMES-VIRGINIAN where there are boxes and boxes of just-right fruitcake and a double-thank-you waiting from W. Lloyd Vaughan and J. Franklin Vaughan, who are co-publishers of the TIMES-VIRGINIAN And Lions, too, who want to help a good cause.

Mysterious powers by the dozens have been credited to mistletoe, among them the power to heal, to ward off evil, to summon ghosts and force them to answer questions.

At present, the most prized property of mistletoe is the license it gives for plenty of Yuletide kissing.

Santa's Helpers

Who are all the smilin' people who keep Santa Claus' mail moving along? None other than your hardworking Post office employees, including R. F. "Red" Jamerson (center) with red bell dangling above his ear as he sorts mail under watchful eyes of postmaster H. W. "Billy" Comer. In the foreground, Mrs. Virginia Doss and the "what's up front that counts" man, John Hall. Also in the photo are Jesse King, Bill Williamson and Billy Sperry, S. A. Lawson, Wayne Lee and Frank Hanenkrat are the rural carriers and "Outside men" who perhaps are hoping that Santa can get along this year without snow! All of these "Santa's helpers" say they appreciate everyone's cooperation with the heavy holiday mail and a "Happy New Year", too!

Yule Plants

Yes, those cherished holiday plants can keep on growing into next year.

As a tropical plant, poinsettias like plenty of water and warmth--70 to 80 degrees. Be sure to keep these plants in a warm place at night.

Though they blaze with fiery-red-colored balls, Jerusalem cherries are rather cool natured. For them, the temperature should be held at 60 to 65 degrees. Avoid overwatering.

Thanks' Say Scouts For Toys For Tots

"Toys for Tots" -- a familiar slogan at Christmas time, but a slogan that several Boy Scouts and families in Appomattox didn't know much about until this year when Boy Scout Troop 546 collected toys and tricycles and games and more for those in this area who might otherwise not have much Christmas.

Marine Reservists from Lynchburg have mended and painted the toys for Santa's annual visit.

Boy Scouts of Troop 546 and their leaders, Floyd Flint and Neal Goldstein say "thanks and Merry Christmas" to all who helped. They hope to make this in-gathering of toys an annual event!

Scouts who took part include Timmy Clements, John Hudson, Mike Kelso, Don Scruggs, Wayne Scruggs, Raymond Fleshman, Jack Goldstein, James Reed, Henry Coleman, James Paulette, Greg Daulton, Floyd Flint, III; Stanley Jones, Ralph Ackers.
